To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore

Dated Bangalore, the 25th July 1942

Registration of European British Evacuees.

- - -

Sir,

I am directed to forward for information a copy of the Government of India, Home Department letter No.16/13/42-Pol. (Evn), dated the 6th June 1942 (without enclosures) and a copy of the European British Evacuees Order, 1942, which was published in the Gazette of India on the 18th July 1942.

2. I am to request that, if there is no objection, steps may kindly be taken to bring the provisions of the Order t notice of all European British evacuees living in the Mysc State who are required to register under the Order. They may kindly be informed that the registration forms should be complete and returned before the 1st August 1942 to the Evacuee Reception Committee, Oorgaum, Kolar Gold Fields, if they are residing in th Kolar Gold Fields area, or to the Central Refugee Committee, Mayo Hall, Bangalore, if they are residing elsewhere in the State. A copy of the notification issued by the Hon'ble the Resident in this connection is also enclosed.

* with 12 spare copies.

(100 forms enclosed)

3. The form of report is being printed and copies will be supplied in a day or two.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Copy of Express Letter No.16/13/42-Political(Evn) dated the 6th June 1942 from the Government of India, Home Department, New Delhi, to all Provincial Governments and Chief Commissioners, Delhi/Coorg/Ajmer-Merwara/Baluchistan.

Registration of European British Evacuees.

Government of India are in considerable difficulty for want of an even approximate estimate of the number of European British evacuees who have arrived in India. They have not so far received complete lists of those who arrived during 1941 from the West although these were called for in October 1941, nor have they received more than a few names in response to the request made in the Home Department Express Letter No.4/13/42-Political (Evn), dated the 17th March 1942.

2. Information regarding the numbers and other particulars of these evacuees is required --

(a) to estimate the effect of the arrival of the evacuees upon internal security schemes,

(b) to estimate the extent to which evacuees can be repatriated,

(c) to provide material for the establishment of an Information Bureau to deal with requests for information from His Majesty's Government who are interested in the financial aspect of the maintenance and repatriation of these evacuees, and

(d) to provide material for the answering by the Information Bureau of enquiries which are received from time to time about the whereabouts of evacuees.

3. The Government of India recognise that in the circumstances in which the evacuees arrived from Malaya and Burma it was not possible to compile reasonably complete lists even of those who may have applied for assistance and they are aware that in many cases evacuees made their own arrangements and there were no means of compelling them to report particulars. The Government of India are also aware that in some provinces Information Bureau have been established and that in some areas registration has been made obligatory. They feel, however, that the time has now come for a more systematic check, and, in view of the labour involved in taking a census, they consider that full use should be made of non-official organisations who may be willing to assist and that the evacuees should themselves be required to assist.

4. The Women's Voluntary Service has with the kind consent of Her Excellency agreed to set up a Central Information Bureau to collect and supply information required by the Government of India and as soon as possible to establish local committees where required. It is not, however, the intention that existing non-official organisations who are willing to assist and who may already be performing the functions contemplated by the Women's Voluntary Service will be replaced or duplicated. The objects of the local organisations, existing or to be set up by the Women's Voluntary Service would be -

P.T.O.

(1) to assist Government in maintaining an up-to-date register of evacuees;

(2) to assist evacuees within their local jurisdiction with advice and information and generally to help in relieving anxiety and solving their difficulties.

5. The second of the foregoing objects has, the Government of India believe, already been secured to a large extent by the local committees which the civil authorities have established but, possibly owing to a lack of direction and certainly owing to the absence of any obligation upon evacuee to register, the former has not yet been achieved.

6. In the circumstances the Government of India propose to make the amendment (of which an advance copy accompanies this letter as Appendix A) to rule 24A of the Defence of India Rules and in the exercise of the powers so conferred to make an order of which a draft is attached to this letter as Appendix B requiring evacuees about whom information is required to furnish certain particulars. The following are the more important features -

(a) European foreigners are required to register under the Registration of Foreigners Act and male European British subjects under the registration (Emergency Powers) Act, 1940. The Order therefore covers only European British males of 50 years or over and women and children.

(b) Provision has been made for registration by the District Magistrate or by an authority nominated by him for the purpose. It is the intention that the local Women's Voluntary Service or a parallel organisation, existing or to be established, be nominated for the purpose.

(c) It is considered that the evacuees should fill up a foolscap size Form and that copies be made on cards in triplicate.

(d) The Form and one copy of the card will be retained by the district registering authority for the purpose of compiling a local register while the other two will be forwarded by such authority to

The Honorary Secretary,
Women's Voluntary Service Headquarters,
New Delhi.

In the case of military families the headquarters organisation will send one copy to the Adjutant General in India. In the case of civilian families, the two copies will be retained by the Headquarter Women's Voluntary Service for the purpose of compiling a register on behalf of the Government of India but if the Provincial Government so desire one copy in you the case of civilian families could be sent to the Provincial Information Bureau.

7. It is proposed to publish the amendment to the Defence of India Rule 24A and the order on 1st July next. I am

therefore .....

therefore to request that the Provincial Government you furnish any comments which they you may wish to make on or before 20th June.
